SPECIAL DELIVERY

Amber was only there to deliver flowers, but she wound up giving Amy a lot more!

So, okay, I deliver flowers. I don't earn a fortune, but I feel semi-free, and I have my nights for playing or rehearsing with the band. And Gina—she's my boss—doesn't mind if I practice in the back room at work when there's no deliveries to be made. I play the guitar and sing. Gina kind of likes our brand of soft rock, and she says she thinks the music coming from the back room might even appeal to the customers. She's even come to listen to us play a few dates, so I guess she's really a fan. As bosses go, she's pretty cool.

Well, there I was in the back room, singing and playing, trying to get this one song down. And then Gina said, "Sorry to interrupt, but I have a delivery. It's way out on Magnolia. Tell you what…it's nearly 4:30. Take them in your own car, and you can go on home when you're done." I live out in that direction.

So I took the flowers—a beautiful arrangement of red and pink roses—and put them carefully into the trunk of my car. I drove over and found the place, but the girl who answered the door didn't look happy at all. She insisted I come in so she could give me a tip, though I would rather have forgone the tip and just gotten the hell out of there. From the look on her face, somebody had just died, for sure. She was rummaging around the house, wailing, "Where did I leave my wallet?!" and banging stuff around like crazy.

With a long sigh, I offered, "Want me to help you look?" She accepted, and I started prowling around.

She was the one who finally found it, but she was still so grateful for my help that she insisted I have a drink with her. Though I didn't really want to hear about whoever had died, I figured she needed some company, and rehearsal wasn't till 8:00, so I accepted. We sat on the sofa, drinks in hand.

Turned out no one had died. The girl's name was Amy, and the flowers were for her birthday. When I joked that she was too young to be so sad over a birthday, she smiled through a few escaping tears and confided that it wasn't the birthday that had made her so sad…she had just broken up with her lover three weeks ago, and three weeks wasn't enough time to get over it, not when you'd been living together for nearly five years.

"Any guy who'd leave you is too stupid for you to be involved with in the first place!" I offered.

Amy gave a short laugh and her mouth turned up in a funny smile that I didn't quite understand.

"What does he look like, so if I see him, I can run-him over for you," I joked.

Amy took a deep breath, then blurted, "It wasn't a 'he'—does that shock you?"

"Me? No! Hell no…I'm bi myself," I admitted, looking at Amy with new interest. Her reddish-brown hair framed her face in a soft halo, her pert, upturned nose just begged to be kissed, and talk about kissing, her lips were perfectly shaped and perfectly kissable. Her eyes were a grey-green. A minute ago they'd been sparkling with held-back tears. Now they were sparkling with interest.

"Then you understand!" she exclaimed, and began to tell me the story. When she got to the part that brought on more tears, I wrapped a comforting arm around her shoulder. When she no longer needed comforting, I left the arm in place all the same. And after a bit I began to lightly rub her arm with soft fingertips. “Mmmm,” she said, snuggling up against me.

I checked my watch. Plenty of time before rehearsal. I turned Amy’s face toward mine and softly kissed her lips. Then harder. Then fiercely. Her tongue came out to play. My tongue played with it.

“You aren’t just doing this out of sympathy?!” Amy asked suddenly, pulling away from me momentarily. I looked at her full breasts, lithe figure, and cute face. “Not a chance!” I chuckled.

“Then let’s go upstairs.”

Upstairs, I took her clothes off, relishing each new inch of skin I revealed. When I’d unclasped her bra and removed it, I licked her nipples, taking long laps of each protruding brown button and feeling them grow stiff under my tongue. Encircling her left nipple with my lips, I sucked harder, drawing more and more of her breast into my mouth. Amy sighed and shivered as my lips moved relentlessly to take her swelling breastmeat in, as my mouth engulfed more and more of her, as the heat of my mouth warmed her body and sent chills through her.

She started to sag. Her legs were weak as her body succumbed to want. I guided her the two backward steps that brought her to her bed, and she sank down. Then she said, “You’re still dressed.”

I rectified that problem quickly, stripping out of my jeans and chambray shirt. I don’t usually bother with a bra, so my strawberry nipples were soon exposed to the air…and to lascivious Amy’s eager tongue. She pulled me down to the bed so she could nurse on my breasts, suckling at me as if the elixir of life flowed from my nipples.

I still had my panties on, and when I yanked them impatiently off myself, Amy ran a finger through my drenched pubes. Her face glowed as she saw and felt…and smelled…the juices of my excitation. “Did I do that to you?” she asked.

“Of course. Didn’t you do that to your… former lover?”

“No,” she said sadly.

“Then the problem was hers, not yours, I assure you.”

Amy swiped three fingers through my cleft, sending tingles racing through my clit as she slid past it. I quivered and lay back across the bed. “Do you like to be licked?” Amy asked almost hesitantly.

“Do fish like water?” I answered.

Amy breathed a soft “Ohhhhh” and burrowed between my legs. In a minute I felt her nose prying its way between my swollen labes, and then her tongue was toying with the base of my clit. Up she licked till her tonguetip was dancing across my engorged clit.

Now it was my turn to exhale a delighted “Ohhhh” as I felt her nimble tongue insistently treating my clit to some first-class maneuvering. “Mmmm,” I groaned as I felt her slip a finger into my passageway, then felt another finger join it, then another. Amy fucked my pussy-hole with the three fingers as her tongue continued to delight my clit. Spreading her fingers, she spread my pussywalls as she raked up and down them, her tongue never faltering in its quest to draw an orgasm out of me.

“Play with my nips too?” I asked her. “I love having my nipples diddled.”

“I’m sorry!” Amy apologized, moving at once to finger my right nipple with her left hand.

“For what?” I asked. “You couldn’t know if I didn’t tell you. You’re not supposed to be a mind-reader.”

Amy gave me a thin, wavering smile, and I thought, This lover of hers must have been one hell of a bitch. Then I wasn’t thinking anything too clearly because Amy’s fingers were strumming my stiffened nubbin just perfectly—which I made sure to tell her—while she continued licking my clit with insistent flicks of her talented tongue and, at the same time, stuffed my pussyhole with three fingers, which crammed me full and slithered against my walls deliciously with every in- and out-stroke. I blissed out and couldn’t form a coherent thought any longer.

My climax wasn’t long in happening. With so much sensory input, how could I stave it off? Not that I was eager to come and have the delights end, but Amy’s tongue was licking faster and faster, tight little strokes that zipped quickly, lightly, teasingly across my pointed pleasure-nub, and I was hopeless to resist the growing storm of climax that was bunching up in me like a compressed spring. Soon enough, sure enough, the inevitable happened, and I exploded in a kaleidoscopic climax that left me breathless and utterly drained.

When I had regained some semblance of sanity, I raised my exhausted head from the bed to confront

Amy: “Some situation this is! It’s your birthday, but I’m the one who got the present! Lie down. Now! I’ve got to make things right. Besides, even if it weren’t your birthday, I’d owe you big-time after a glorious climax like that.”

Amy stretched out on the bed. Hovering over her, I placed my mouth tenderly to hers and kissed her deeply, tasting myself on her tongue. Then I trailed my way down her chin, her neck, and the top of her chest, travelling by tongue, till I reached the cleft between her breasts. wirling my tongue around her right nipple, I tantalized and teased her. Her body arched up off the bed, writhing, needful, consumed with heat. My teeth got into the game, scraping lightly along the sides of her nipple. That nipple grew, stretched, and hardened. Stiff and rubbery now, it teased my tonguetip, and my pussy began to churn once again.

Slowly working my way down her lithe body, I tantalized Amy some more. At my merest, lightest, most teasing touch, she squirmed and writhed, moaning out her need and begging me, “Eat me. Now! Please!” But I was in no hurry to satisfy her. To pleasure her, yes—most definitely. But climax is far from the only kind of pleasure. The road to get there can be a real pleasure too. And I was determined to take her on that journey and let her enjoy every pleasure I could give her.

So I took my time and let my tongue amble its way down her trim, taut tummy, idling momentarily in her navel to dip in and dick her delightfully, then finally landing in her pubic bush. I wandered around in her trimmed thicket for a while. Amy’s bush had obviously been barbered—by her own hand, I was sure, but nonetheless trimmed. The wiry hairs, though shortened, were nonetheless luxuriant in their thickness, and I enjoyed the way they bristled against my tongue, prickling against my tongue the way little bubbles do when they rise from a rye and ginger ale.

I wandered within her thicket, tonguing here and there…everywhere but into her slit. Amy grabbed my head in her hands and tried her mightiest to steer me into her pussy-cleft, but I was insistent on making her wait, tormenting her as long as I could. The climax you have to wait for and work for is the one that’s strongest when it finally happens.

Well, Amy was working for it, all right. Though I hadn’t yet let my tongue get within the folds of her labes, let alone anywhere near her clit, her ass was lifting eagerly up off the bed, pumping her pussy up into the air and riding up against my face.

Finally, though, she shoved my face forcefully into her cleft and jammed my features into the drenched folds of her pussy. My nose made contact with her clit first, and I decided to use the equipment at hand, so I nosed her pussy for a few minutes, frigging her pleasure-point with my olfactory organ and inhaling the rich, strong, sharp odor of a woman in heat as I nosed her nub.

The scent of her excitation rose up my nostrils and penetrated right into my brain, inflaming my brain’s sex center and sending my pussy into third gear. Stretching out along her leg, I shamelessly humped that leg as I continued nosing her clit. Grinding my pubic bone against her leg bone, I felt the pressure on my clit and quickly began rising toward a second climax.

Amy was rising toward a climax too. She whimpered like a leashed pup who wants to get free, but what Amy wanted to get free of was the need that enveloped and overwhelmed her. I decided it was time to give her the satisfaction she needed, so I moved my face up slightly.

Now my nose was out of the way and my tongue could—and did!—flick mercilessly at her clit. As the raspy bumps tormented her nubbin, Amy gasped, moaned, whined, whimpered, and gave every indication that she was in either major-league agony or massive ecstasy. I’m not sure she herself knew which it was. As for me, I suspect it was both.

We both got off together, Amy against my demanding tongue. With great difficulty I dragged myself up till we were face to face. “Dammit, I’m still ahead of you,” I said. “Now we’re two-for-one. I still owe you one.”

Amy laughed delightedly.

That was two weeks ago. Our band has its first official groupie now. My groupie. Amy hasn’t missed a performance since that night. She’s even come to some of the rehearsals.

I think she’s finally over the bitch who dumped her. Stupid bitch. Didn’t know a good thing when she had it. Well, I do. And I mean to keep her.

DAIRY QUEEN

For such a young girl, she has awfully big tits...but they're great for fucking!

Rebecca Anne is an unusual girl in a lot of ways, and all of them are good. She's unusual in the size of her tits: big, soft mounds of billowy tit that put to shame the modest little cups of other girls her age—I mean, she's barely 18, but you'd think from her tits that she was 30 years old! But what makes Rebecca Anne doubly unusual is that she absolutely loves having those tits rubbed and humped by my cock. I've never known a woman so nuts about titty-fucking. When we get my cock and her tits arranged right, she'll actually get off from being titty-fucked!

Butter is what we love best to grease up my rod and her boobs for a good session of titty-fucking. Don't get me wrong: I'm not going to waste my cream by blowing my wad anywhere except in a nice hot, tight pussy or eagerly sucking mouth. But just because I'm not going to squirt the old juice until I've put my cock into one of the holes nature provides doesn't mean I don't get a hell of a charge out of humping humongous hooters. Not to mention the thrill Rebecca Anne gets.

So that's why I pulled the butter out of the cupboard Saturday night, and Rebecca Anne started making horny barnyard noises. She gets so fucking turned on that the pussy-juice absolutely pours out of her hole. I mean it literally: before her tits were completely greased up, the insides of her thighs were soaking wet.

They weren't any more slick than her tits, though. Rebecca Anne purred and whimpered as I rubbed the butter onto her naked tits. If you've never greased up a pair of big ones, you don't know what you're missing. The skin on a pair of big, soft tits is so smooth anyway, and the plump flesh underneath is so soft, and when the butter gets all warm...man, there's nothing like it. Rebecca Anne was squirming all over the place, opening and closing her legs so the sweet smell of her pussy-honey mingled with the mild, distinctive, sexy smell of the butter.

I'M NOT GOING TO WASTE MY CREAM BY BLOWING MY WAD ANYWHERE EXCEPT IN A TIGHT PUSSY.

I straddled her torso and rubbed my hard cock on her tits. She goes crazy for that shit. When my buttery cock rubbed her big, stiff nipples, her moans got crazier. She sounded like the soundtrack of a fuck film—and my cock wasn't anywhere near her pussy or mouth yet.

So Rebecca Anne squeezed her titties together with her hands. She knows just how to do it so her nips are right where she wants them to be—right where my cock rubs them when I'm giving her a vigorous titty-fucking.

I slipped my hard meat right where she wanted it—and right where I wanted it: between those generous mountains of soft, buttered-up tit-flesh. She moaned and squeezed her hands a little more tightly together, and my cock was engulfed in that fantastic fake pussy that a good pair of

I FILLED HER MOUTH WITH MY COCK, FUCKING HER FACE, FEELING THE BOILING JOY OF AN ORGASM.

slicked-up tits can make. It's not like a mouth, and it's not like a pussy: it's just like titty-fucking, and there's nothing like it.

I fucked forward and backward, and Rebecca Anne began to squirm. Her nipples were tight with excitement, and I could feel the little bumps against my cock as I pumped. From the way Rebecca Anne was moaning, it was obvious that I wasn't the only one who was feeling her nips! Man, was she turned on!

"Faster!" she gasped. I could tell she was on the verge of getting off. I speeded up. She got this intense look on her face. Her eyelids fluttered. Still fucking her tits, I arched my back and reached back to finger her pussy. It was a swamp back there. Her pussy-lips were fat with lust, and the juice was like a flood. I mashed my fingertips against her clitty and fucked her titties, and Rebecca Anne erupted in orgasm.

Watching and feeling and hearing her come was almost as sexy as fucking her buttered tits. In the middle of her orgasm, I shoved two fingers into her scalding pussy and reamed that hole while she kept her hot nipples jammed against my pistoning cock.

The excitement was fantastic, and it was damned lucky that Rebecca Anne didn't need to come any longer than she did, because I was at the end of my sexual rope. I hunched forward, eagerly thrusting my cock toward Rebecca Anne's face. She bent her neck, her mouth open for the buttery treat of my fat hard-on, her body still squirming in the last spasms of her orgasm.

I filled her mouth with my cock, fucking her face, feeling the boiling joy of an orgasm set in motion by the unique feelings of fucking those soft, greasy tits. Rebecca Anne's mouth closed eagerly, tightly, skillfully over my stiff cock. She was already sucking, her tongue moving. I gasped as the hot joy in my guts boiled over, and my whole body jerked as the hot cum squirted through my throbbing cock and into Rebecca Anne's vacuuming mouth.

Jolt after jolt of orgasm blasted me as I pumped gobs of cum onto Rebecca Anne's tongue and down her throat. Her lips and tongue were busy, sucking and savoring the butter from the titty-fuck, sucking and savoring the cream that my cock was spewing. Her lubricated tits rubbed me in their own special and wonderful way, her moans and writhing as she climaxed excited me, and now the suction and friction of her mouth on my spurting cock made me feel as though my spine were melting and spurting through my meat and down her throat.

After I spurted, I licked the butter off Rebecca Anne's tits. My tongue on her stiff nipples made her crazy with lust again. Dining on those buttery delights brought my cock back to great working order, so the result of the titty-fucking was not just the load I blew down her throat, but a second fuck that went on for half an hour, gave her three orgasms, and left me so weak after I fired a second hot load into her pussy that I fell asleep for the rest of the afternoon. Give me a couple of big ones any day!

– Jeremy, Omaha, NE

HER+HIM+ME

I'm on my way over to visit my neighbor and best friend, Bella. We've been having lunch together for almost a year now. It's not every day, of course, but often enough that she's given me a key to the side door. It's nice day today and I'm going to take her out to a little restaurant I found near the lake. I go in the side door and

walk in on Bella and her husband, Hank, fucking in the living room. I hesitate for a minute, taking in the scene and decide to walk over to the couch and steals a passionate kiss from Bella. She then invites me to join them.

I strip my clothes off and we girls are soon on our hands and knees on the couch, facing one another as we make love with our mouths. Hank takes advantage of this position, pressing his eager tongue deep into my warm wet slit to eat me out.

Bella soon breaks off the kiss and helps Hank in his pursuit of pleasing me, wrapping her arms around my torso before massaging up and down my back and bottom as she kisses her way across my body. As Hank draws back from my sweet pussy, we urge him to stand up so that his long hard cock is at the perfect height for us to wrap our lips around it. Bella is particularly eager to engulf her man's cock in her hot wet mouth and suck him off as I add my own licks and soft caresses whenever and wherever I can. Soon Bella positions herself to be the center of attention in this threesome. Hank and I help our lover lean forward to leave her horny pussy open for our attention.

Hank positions his hard cock against her hole and rubs the head up and down before pushing himself deep inside her as I massage her tender bottom. As soon as I see Bella fucking Hank's cock, I climbed on the arm of the couch and spread my legs so that Bella can lean forward to eat me as Hank pounds her from behind. Hank does his part too, reaching forward to finger my moist hole as he keeps plunging it into Bella's pussy.

We shift positions so that I'm now lying in the middle on the couch while Bella is perched on the edge of the couch in a perfect position to masturbate and fondle my boobs while I watch Hank rub his cock against Bella's silky slit before entering her again. Still not quite satisfied with the new position, Bella tells Hank to sit on the couch so that I can mount him – reverse cowgirl style. Bella and I share a long kiss and with a quick lift of my hips, I'm riding her man while Bella rubs her sensitive clit. I launch into a wild ride and cum within minutes. With my body still throbbing, I roll off Hank's cock and ride out the rest of my orgasm by massaging my clit while Bella sucks my pussy juices off her man's still-hard cock.

BELLA IS PARTICULARLY EAGER TO ENGULF HER MAN'S COCK IN HER HOT MOUTH AND SUCK HIM OFF.

Bella and I trade places, as Bella mounts her man and takes his long cock deep inside her as she rides him for the few breathless moments she needs to reach her own climax. As soon as she finishes, I wrap my soft lips around Hank's rock hard cock and to try to help him finish as well. Hank is more interested in helping me lie on my side so that he can enter me from behind and pound into my tight warmth until he's ready to burst.

I look bat him and motion 'No' with my head, telling him silently not to cum inside me. Pulling out, Hank ejaculates all over Bella and our faces and mouths. We take turns licking him clean as the final act to close our afternoon tryst. We clean up and I decide to invite them both to the restaurant. Who knows, I may want to do this again.

CADENCE

Believe it or not, this sleeping booty is a fuck machine. She loves sex like cats like catnip. She wants to be the best little fuck she can be. Indoors, outdoors, in the kitchen, in the backseat of a car, at the beach; even upside down, backwards, vertical and horizontal. This morning, though, it's a short cat-nap in the bed. Meoooow!

You can't fake this!
